MSC Apex Wins Five Prestigious 2016 IT World Awards® in Best Products & Hot Technologies Categories

NEWPORT BEACH, CA--(Business Wire – July 12, 2016) – MSC Software Corporation announced today that Network Products Guide, industry’s leading technology research and advisory guide, has named MSC Apex a winner in the 11th Annual 2016 IT World Awards® in the Best Products & Services and Hot Technologies categories:

Best Products & Services Category – 500-2,499 Employees:
- **Gold Winner** – IT Products and Services for Manufacturing
- **Gold Winner** – Most Innovative IT Software

Hot Technologies:
- **Gold Winner** – Suitable for Asia-Pacific
- **Gold Winner** – Suitable for EMEA (Europe, Middle-East and Africa)
- **Silver Winner** – Suitable for USA

MSC Apex was built by rethinking the entire simulation process. It contains CAE specific direct modeling and meshing, a computational parts™ based generative workflow and integrated solver methods that make it extremely easy to learn and use.

“To date, MSC Apex has received 13 product awards. This is a first in the CAE Industry,” said Dominic Gallello, President & CEO of MSC Software. “We made a big bet and it really is paying off in terms of productivity and user delight for our rapidly growing customer base of over 300 companies worldwide.”
